large volume, and widely distributed.

There were one or two conspicuous exceptions to general tendency of the market, cases in point being the St. Louis

The stock market continued very irregular in the forenoon, but in general table between the state of the stock market continued to the state of the s Early in the month it was said that the new stock would be issued before the next dividend meeting. That meeting will be held in March and the meeting

20-point decline in sterling exchange.

Sterling at Paris rose quite sharply, thus precluding the possibility of early shipments of gold.

The Wabash issues were the strongest features of the railway list, but Southern Railway common was as in good request. St. Louis and San Francisco reacted from lits high opening level, but still ruled above Friday's final figures.

Sterling at Paris rose quite sharply, thus precluding the possibility of early shipments of the plans for the new stock and no one seems to know anything about it. Whether the history of formed about it. Whether the history of formed about its high opening level, but still ruled to the conservative element in the above Friday's final figures.

There is no more talk heard of the dissolution of the Reading voting trust. It will occur a short time before the annual meeting, at which format control of the property will be assumed by the Pennsylvania and Lake Shore.

positively that developments of affairs in St. Louis and San Francisco will materially affect the future control of Frisco. So far as the public knows, control of Frisco is now pooled and hold by certain St. Louis capitalists. At least, one of those popularly supposed to be a powerful factor in that pool reposition of their eyesight.

Directors of the St. Paul will hold their regular monthly meeting on February 26, which is Thursday next. Much is expected from them, and their action at that meeting on the much-mooted new stock issue will either make or mar reputations. of the holdings of 'Frisco stock of this particular house is not known, but it is particular house is not known.

ngure out the future of 'Frisco in this event, but it is assumed that while it will not make its eastern terminal permanently at Birmingham, there will not be a very much greater extension of mileage.
